

The Kia 241 Collection

Movement that inspires

Welcome to the 241 Kia Range

This booklet contains information on our entire product range and related offers for the upcoming 241 registration period which commences in January. To assist with your purchase, we are currently offering a €500 SuperValu Gift Card and low rate 3.9% APR finance for both Hire Purchase (HP) and Personal Contract Plans (PCP). If you are considering moving to an Electric Vehicle (EV) or Plug-In Hybrid Electric Vehicle (PHEV), then you can also avail of a free home charge point in association with Energia. Fully Electric Vehicles also qualify for our special EV finance rate of just 1.9% APR. Our famous 7-year warranty comes as standard on all vehicles for added peace of mind.

Movement that inspires

EV9

The EV9 is the first fully electric vehicle from Kia with space for up to seven people. Arriving in Ireland this November, the EV9 combines fresh thinking, design, and our latest technology. Complemented by a driving range of up to 563* kilometres and ultra-fast charging capabilities, the EV9 is available in a 6 or 7-Seat configuration with sustainable interior made of recycled and plant-based cabin materials. Open up a world of possibilities.

*Projected range pending homologation in late October.

Triple Panorama Display
A long, light, minimalistic dashboard featuring a 12.3" cluster, 5.3" centre display and 12.3" touch infotainment display.

Comfort you can configure
Swivel Seats in the second row, allow occupants to interact with one another.

Sustainable materials
The interior seating and carpet is made from upcycled and plant-based materials.

EV6

Inspiration isn't just about having an idea. It's about leaving your comfort zone and feeding your mind with new surroundings. That's why we designed the Kia EV6 - a car with up to 528 kilometres of driving range that lets you explore more of what the world has to offer. Featuring ultra-fast charging speeds that give you more time to spend on the things that matter to you most, charging from 10-80% in just 18 minutes. Why not book a test drive and experience the EV6 for yourself?

Meridian Sound System

The 14-speaker sound system with Active Sound Design delivers rich acoustics for all your music and podcasts.

Dual Curved Displays

The Kia EV6's 12.3" integrated curved displays, with minimal controls, provides high-definition navigation and important information.

Vehicle-2-Load (V2L)

Get 220V of alternating current to power your devices, inside or outside the Kia EV6.

Niro

The Kia Niro offers you a choice between Hybrid, Plug-In Hybrid, and Full Electric technology. The Niro EV offers a driving range of up to 460km from a single charge, while the Plug-In Hybrid version provides a full electric range of up to 65km and an ultra efficient combined fuel economy from just 1 litre per 100km. This latest model Niro is more practical than ever before thanks to its larger dimensions for increased space and practicality, it also features a host of standard safety features that have earned it the maximum five-star Euro NCAP rating.

Vehicle-2-Load (V2L)
Technology that allows you to charge and power your devices on the go.

Interior
Premium effect recycled cabin materials reduce the Niro's carbon footprint.

Remote Heating
Start or schedule the heating of your EV or PHEV from your smartphone.

Sportage

Stylish and sophisticated, the Sportage is one of Ireland's favourite SUVs. With multiple powertrains to choose from including Diesel, Mild-Hybrid, Hybrid and Plug-In Hybrid, the Sportage is low on emissions and big on choice. With over 30,000 Sportage models sold since its arrival in Ireland and now on our 5th generation; this year we're celebrating 30 Years of Kia Sportage and to mark the occasion we're delighted to announce the introduction of 'Anniversary Edition' Sportage available in both hybrid and plug-in hybrid electric.

12.3" instrument cluster

Sorento

Experience power, the efficient way. The Kia Sorento is powerful, sleek, and beautifully assertive offering unrivalled space for up to 7 people with additional luggage capacity. The Sorento is packed so full of comfort, safety, technology, connectivity and driver assistance features that it has been widely praised by the Irish Motoring Press as one of Ireland's best all-round large SUVs. Safe, practical and reliable, the Sorento is available with a 2.2 litre diesel engine or as a 1.6 litre petrol Plug-In Hybrid (PHEV).

Interior

Luxury and space dominate behind the wheel with generous comfort, technology and safety features at your fingertips.

Electric only driving

The Sorento PHEV will travel on EV power up to 57km on a single charge.

Connectivity

Sorento's comprehensive Infotainment system, including Kia Connect, is displayed on a 10.25" display.

Sorento Equipment Highlights

'Special Edition'

Ceed

The current generation Ceed instantly grabs attention, each model combines assured, athletic design with heaps of space and dynamic drive. The Ceed is available in petrol or diesel with the range topping GT-line specification featuring sleek and contemporary styling, LED headlights, wireless phone charging and so much more.

High Beam Assist (HBA)

When the windscreen camera detects oncoming headlights at night, the High Beam Assist system automatically switches to low beam.

Telematics Technology

Stay connected in the Ceed GT-line with 10.25" touch screen featuring Kia Connect Telematics.

Honeycomb Light Signature

The GT-line comes with a unique honeycomb LED light signature with sequential turn signals.

XCeed

Made to match your lifestyle, the Kia XCeed redefines the crossover driving experience. With bold, sportier-than-ever aesthetics, a cutting-edge Plug-In Hybrid engine and the latest technology as standard.

Heated Seats & Steering

Stay cosy with the XCeed's heated steering wheel and heated front seats.

EV & hybrid driving

Best of all worlds. Reduce your fuel consumption with an EV drive mode of 42km or, go hybrid and switch between engine and battery.

Stonic

Meet the bold compact crossover that has put the fun back into driving. Style, refinement, technology, comfort...the Kia Stonic leaves others standing. Even at a glance, you can tell that this is something more exciting than usual. With sharp horizontal feature lines and softer sculpted surfaces, it has real stand-out features from every angle.

Safety first
Driving assistance including Lane Keep Assist, Lane Follow Assist and Forward Collision Assist help to keep you safe.

Touchscreen Infotainment
Wireless Android Auto and Apple CarPlay can keep you connected while on the move.

Premium interior
Cruise in style with two-tone seats made from premium black cloth and artificial leather side bolsters.

Picanto

Looking to a small city car for you or a family member? Then consider Picanto, one of the smartest city cars on the market. The Picanto is both bold and chic. Eye-catching and energetic. Small but mighty and big on space, with masses of head, shoulder and legroom for everyone on board.

Interior
Think a compact can't be big on space? Think again.

Luggage space
With its folding seats and outstanding 255L luggage capacity, you will have all the space you need.

Created for complete peace of mind.

7-YEAR VEHICLE WARRANTY

Every Kia benefits from a 7-year/ 150,000 km new car warranty (up to 3 years unlimited; from 4 years 150,000 km). This bumper-to-bumper warranty is free and transferable to subsequent owners, provided the car is regularly maintained in accordance with the servicing schedule.

7-YEAR BATTERY WARRANTY

When you switch to a Kia Electric (EV), Hybrid Electric (HEV) or Plug-in Hybrid (PHEV), it's good to know that our batteries are built to have a long life*. That's why at Kia we are happy to offer you a 7-year warranty either from initial registration or 150,000 km whichever comes first. Even for our low voltage (48 V and 12 V) batteries in Kia Mild-Hybrid electric vehicles (MHEVs), our warranty covers you for a period of 2 years from initial registration regardless of mileage. All of which means you can simply enjoy the experience of driving our eco-friendly range, every day for years to come.

* Kia high voltage lithium-ion battery units are built to have a long life. For EVs and PHEVs only, Kia guarantees a 70% capacity of the battery. Capacity reduction of the battery in HEV and MHEV is not covered by the warranty. To minimise possible capacity reduction, consult the Owner's Manual. Find more information about Kia warranty at Kia.com.

KIA SERVICE PLAN

Our Kia Service Plan means looking after your new Kia is a piece of cake. To keep your new Kia running like new, it must be serviced every year. Now imagine having all the servicing that your new Kia will need for the next two to five years sorted and paid for, in advance or monthly, and at a competitive price. Introducing Kia Service Plan, the easy way to look after your new Kia, and protect your 7-year warranty.

KIACREDIT.IE

Kia Ireland has teamed up with Bank of Ireland Finance to offer Kia customers affordable HP and PCP finance packages across the entire Kia range. Your local Kia Dealer will explain in detail the options available. For indicative costs, log on to our finance calculator at kiacredit.ie.

*The Kia 7-year warranty

Max. 150,000 km vehicle warranty. Valid in all EU member states (plus Norway, Switzerland, Iceland and Gibraltar). Deviations according to the valid guarantee conditions, e.g. for paint and equipment, subject to local terms and conditions.

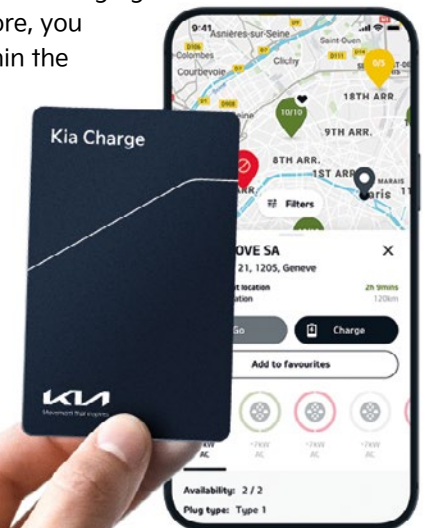

Every care has been taken to ensure the information published in this brochure is correct at time of going to press. Kia Ireland may change their product offering at any time. Pictures shown are for illustrative purposes and may feature equipment not on sale in Ireland. Detailed Irish specifications can be found on our website. Please check with your dealer that your chosen model has your required specification.

Ready to make charging anxiety a thing of the past? Join Kia Charge.

With Kia Charge, you will always have a hassle-free, widely available and easy-to-use charging service at hand wherever you go.

All you need is one simple card: The Kia Charge RFID card gives you quick and easy access to the growing DCS network of over 570,000 charging stations across 28 countries in Europe. Furthermore, you benefit from a wide range of helpful services within the Kia Charge App and two attractive tariffs - for a more convenient, efficient and easy charging experience.

Visit kiacharge.com to find out more.
